PROVIDING EXPERT, HOLISTIC, COMPASSIONATE END-OF-LIFE CARE

Celebrating Two Years of Service

As we prepare to mark our 2nd anniversary, we reflect on an incredible journey. Since opening our doors in 2023, Rose Garden Hospice has been honoured to have over 260 guests in our care. Each individual and family we support leaves an imprint on our story, and it is a privilege to be part of theirs. Thank you to our staff, volunteers, donors, and the entire community for making these first two years so meaningful.

Memorial Walk - October 6, 2025 at 2PM

Join us for a special afternoon of remembrance as we gather to honour the lives of those who have been cared for at Rose Garden Hospice. Our Memorial Walk will begin at 2:00 pm along our new garden path, offering space to share stories, reflect, and celebrate the memories of those we have lost. This year's walk also marks our 2nd anniversary, making this a heartfelt milestone for our community.

Ways to Give - Donor Opportunities

Our care is offered at no cost to guests or families, and that's only possible thanks to the generosity of donors like you. It costs \$609.58 per day to provide care for one guest – including nursing, meals, medication support, and family services.

Your support helps sustain and grow these vital services. You can contribute by:

- One-Time Gift: Make a single donation to support our specialized care.
- Monthly Giving: Become a sustaining donor with a recurring monthly gift.
- Tribute Gift: Leave a lasting mark with our Legacy Quilt and Legacy Wall. Details in person or on our website.
- Planned Giving: Include Rose Garden Hospice in your estate planning.

Every donation, large or small, helps ensure we can continue to provide compassionate end-of-life care for years to come.
